

Expectations to Promote Safety and Inclusion of All Students

For Strategy 8

Instructions:

Review the following suggested safety and behavioral expectations. Modify and add expectations, and get input and feedback from students. Share final expectations with students, parents, and other relevant school staff. Print, cut along the dotted line, and post this information in your classroom. Review expectations periodically to make sure that everyone understands them.

Suggested Expectations

- Participate in classroom physical activity to the best of your ability.
- Be respectful of different levels of physical abilities.
- Be aware of other students and objects that are near you.
- Help others if needed.
- Have fun!
