## Stakeholder Brainstorming Worksheet

## Instructions:

In the stakeholder wheel, brainstorm individuals, groups, or organizations to potentially engage in planning for classroom physical activity.

Springboard to Active Schools is an initiative of the National Network of Public Health Institutes (NNPHI) and Health Resources in Action (HRiA) through Cooperative Agreement CDC-RFA-DP16-1601 (NU1ADP003094) with the Centers for Disease Control and Prevention (CDC). www.schoolspringboard.org

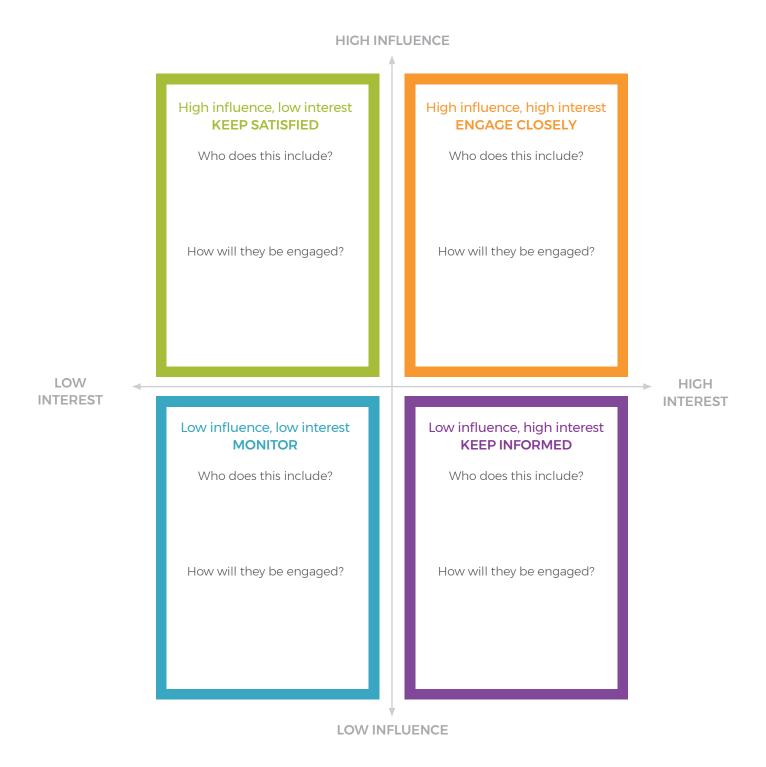

## Stakeholder Analysis Chart

## Instructions:

With your list of brainstormed individuals and groups, identify their level of influence and interest in classroom physical activity, place them in the appropriate quadrant, and identify ways to engage each group.

Springboard to Active Schools is an initiative of the National Network of Public Health Institutes (NNPHI) and Health Resources in Action (HRiA through Cooperative Agreement CDC-RFA-DP16-1601 (NU1ADP003094) with the Centers for Disease Control and Prevention (CDC). www.schoolspringboard.org
